issva2010@uclouvain.be
ABOUT THE ISSVA
Biennial international workshops on Vascular Anomalies were initiated in 1976 in Boston by Drs. John Mulliken and Anthony Young. These meetings led to the establishment of The International Society for the Study of Vascular Anomalies (ISSVA) in 1992. ISSVA has been instrumental in disseminating knowledge and experience among specialists from many medical disciplines.

ABOUT THE 2010 CONFERENCE
The 4-day meeting will include state of the art lectures, original papers, panel discussions, video demonstrations and an opportunity to interact with specialists from around the globe.

Topics will include clinical and basic research in the pathophysiology, diagnosis and management of vascular anomalies, as well as the psychosocial challenges faced by the patients.

On Wednesday, April 21st, a Primer Course will be given to serve as an introduction to the field. The 1st part of the Course will cover the classification, natural history, imaging and therapy of vascular anomalies including hemangiomas and vascular malformations. The 2nd part of the Course will illustrate the different aspects of genetic analysis in order to elucidate the etiopathogenesis of vascular anomalies.
The 18th INTERNATIONAL WORKSHOP ON VASCULAR ANOMALIES

WEDNESDAY, APRIL 21

PRIMER COURSE

08:00-13:00  Registration

Introduction to Vascular Anomalies

09:00-10:00  Classification of vascular anomalies:
- Clinics
- Radiology
- Histology

10:00-10:30  Hemangioma:
- Differential diagnosis and management.

10:30-10:45  Break

10:45-11:00  Malformations:
- Differential diagnosis

11:00-11:30  Malformations:
- Medical & surgical management

11:30-12:00  Malformations:
- Radiological management

12:00-12:45  Lunch break

Genetics & pathophysiology

12:45-13:00  Genetic studies on the pathophysiology of vascular anomalies

13:00-13:15  Human genome (chromosomes and genes)

13:15-13:30  Samples needed for studies (blood, tissues, cells etc)

13:30-13:45  Linkage – family studies; gene identification

13:45-14:00  Genetic screens for mutations (DHPLC, HRM, sequencing)

14:00-14:15  Molecular karyotyping: whole genome analyses (DNA chips)

14:15-14:30  Expression profiling (DNA chips)

14:30-14:45  Signaling pathways

14:45-15:00  Animal models

15:00-15:15  Closing

ISSVA WORKSHOP

07:30-17:00  Registration, Square Brussels Meeting Centre

08:00-08:10  Opening

08:10-08:40  Keynote: to be announced

08:40-08:55  Discussion

08:55-09:50  Session I: Hemangiomas I

09:50-10:15  Break

10:15-10:45  Session II: Difficult Cases

10:45-12:00  Session III: Hemangiomas II

12:00-13:30  Lunch and Posters (even numbers to be presented)

13:30-14:45  Session III: Hemangiomas III

14:45-15:00  Break

15:00-17:00  ISSVA General Assembly
*ISSVA Members Only

THURSDAY, APRIL 22

ISSVA WORKSHOP

15:00-17:30  Registration (Square Brussels Meeting Centre)

18:00-22:00  CULTURAL EVENING
BUFFET DÎNATOIRE CULTUREL²
Magritte Museum & Royal Museums of Fine Arts of Belgium

1 with ticket only, included in registration
2 with purchased ticket only

EVENING EVENTS

Welcome cocktail at City Hall of Brussels, Wednesday April 21, 2009 at 18:00-22:00

Social afternoon: to be announced, Friday April 23, 2009 at 15:00-18:00

OPTIONAL EVENING EVENTS

Cultural evening/Buffet dinatoire: Magritte Museum & Royal Museums of Fine Arts of Belgium, Thursday April 22, 2009 at 18:00-22:00

Gala dinner & Dance: to be announced, Friday, April 23, 2009 at 18:00-23:00
The 18th INTERNATIONAL WORKSHOP ON VASCULAR ANOMALIES

REGISTRATION INFORMATION
Register early. space is limited.

Registration will be opened fall 2009!

COURSE LOCATION
(to be announced)

WORKSHOP LOCATION
SQUARE - BRUSSELS MEETING CENTRE
8 rue du Musée
B-1000 Brussels
http://www.square-brussels.com

ACCREDITATION
UCL (Université catholique de Louvain) is accredited to provide continuing medical education for physicians.

ACCOMODATION
Hotel rooms in Brussels are limited. You are urged to make your reservations early. A limited number of rooms have been reserved at:

- LE MERIDIEN***** (http://www.lemeridienbrussels.be)
- BEST WESTERN*** (http://www.carrefourhotel.be)

These blocks of rooms are only available until end of January 2010.

Please specify that you are enrolled in this course to receive a reduced room rate.
(code will be provided shortly)
