

**Figures on Hematopoietic
Progenitor Cell
transplantation activity
Year 2009**

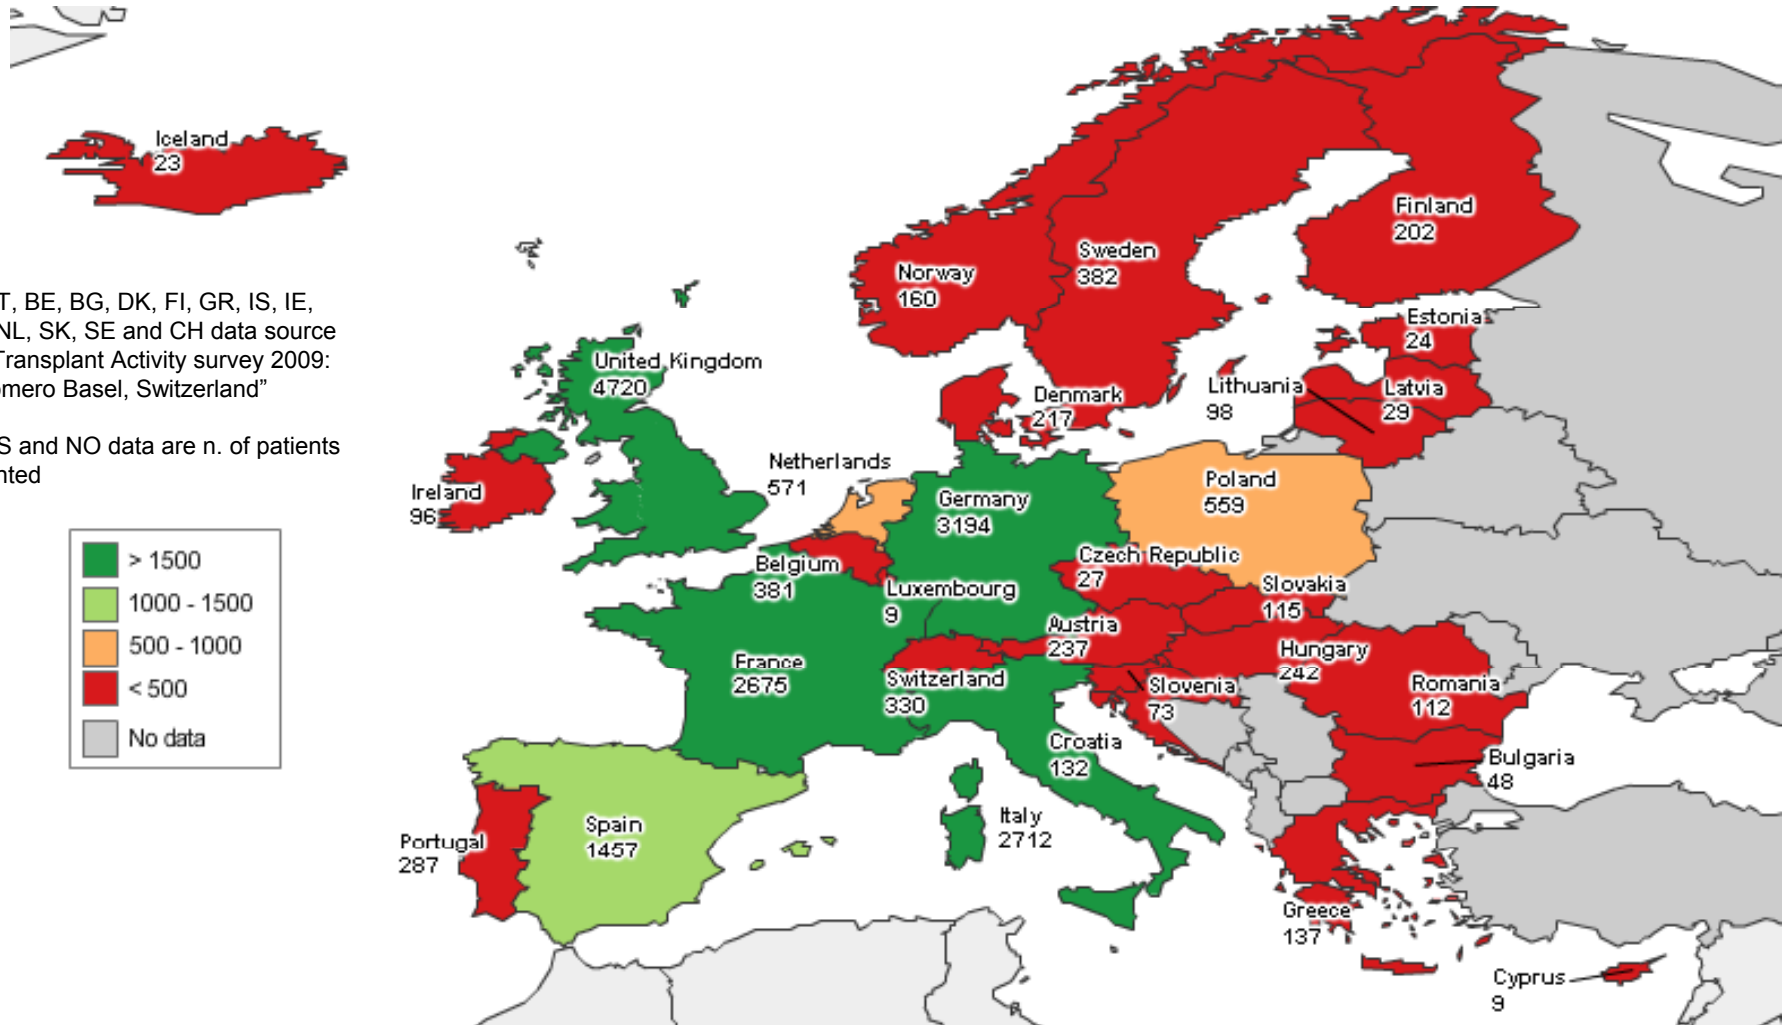

www.eurocet.org

Last data update 02.12.2010

Autologous HPC transplants , year 2009

Number of transplants

Note

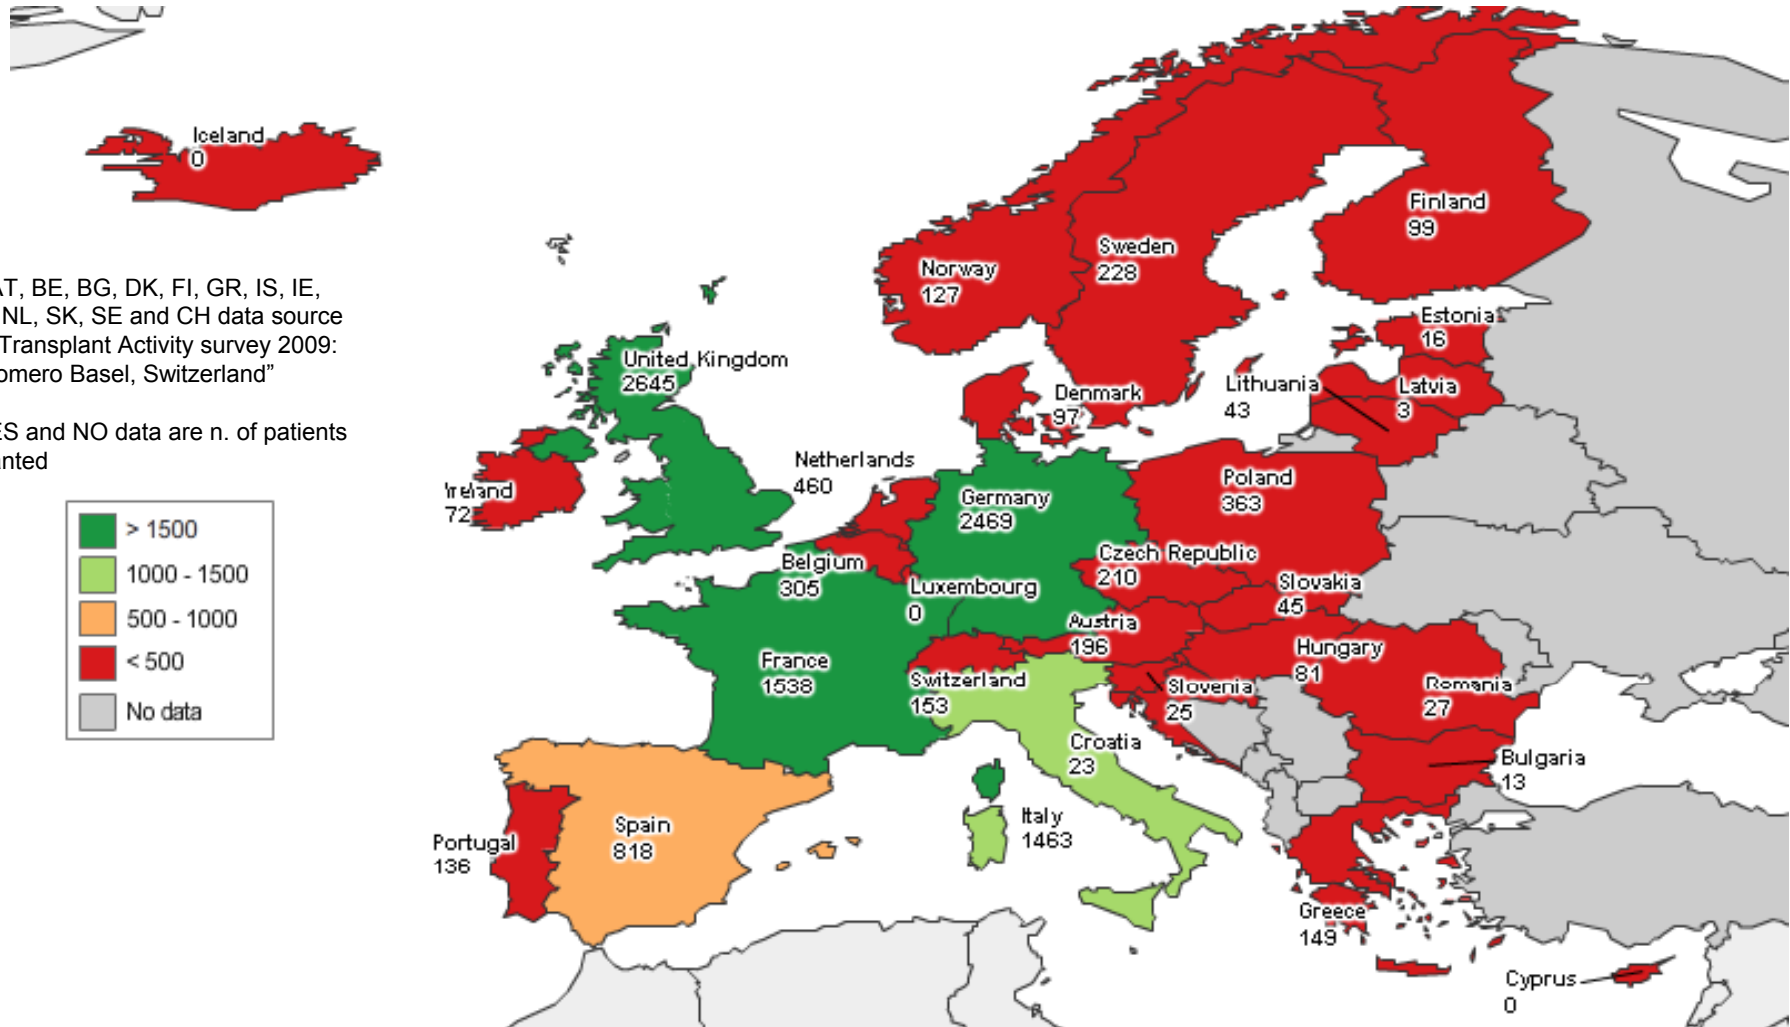

1) For AT, BE, BG, DK, FI, GR, IS, IE, LT, LU, NL, SK, SE and CH data source "EBMT Transplant Activity survey 2009: H. Baldomero Basel, Switzerland"

2) For ES and NO data are n. of patients transplanted

Allogenic HPC transplants , year 2009

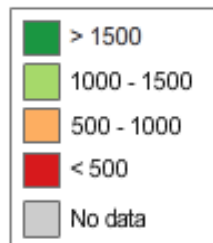

Number of transplants

Note

1) For AT, BE, BG, DK, FI, GR, IS, IE, LT, LU, NL, SK, SE and CH data source "EBMT Transplant Activity survey 2009: H. Baldomero Basel, Switzerland"

2) For ES and NO data are n. of patients transplanted

Total HPC transplants , year 2009

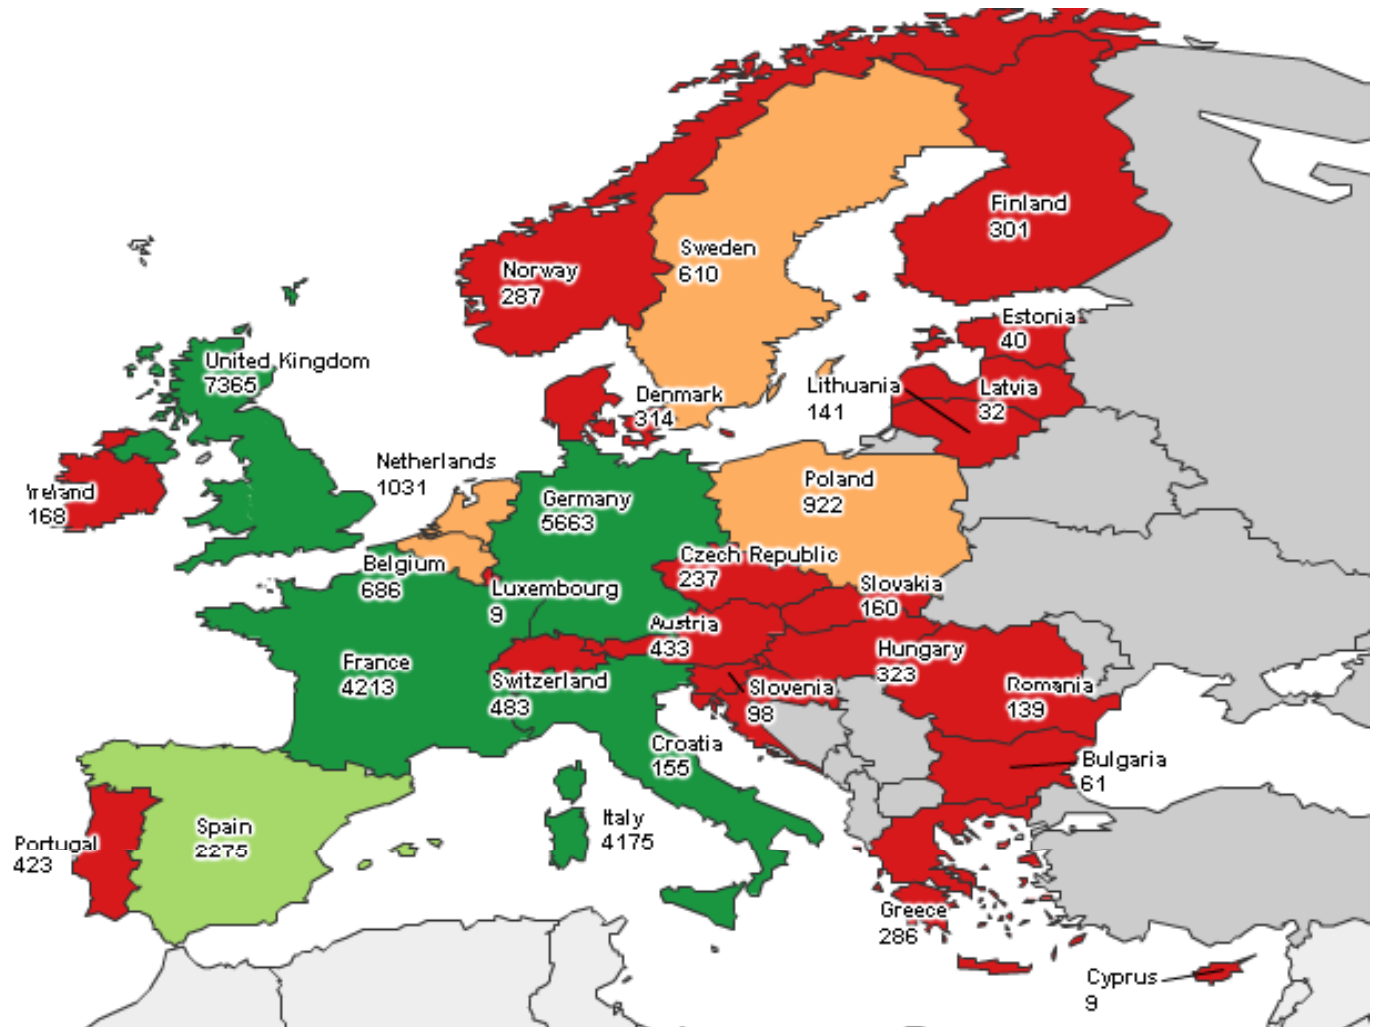

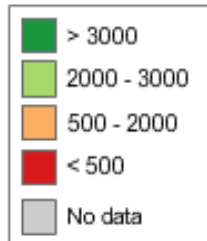

Number of transplants (autologous & allogenic)

Note

1) For AT, BE, BG, DK, FI, GR, IS, IE, LT, LU, NL, SK, SE and CH data source "EBMT Transplant Activity survey 2009: H. Baldomero Basel, Switzerland"

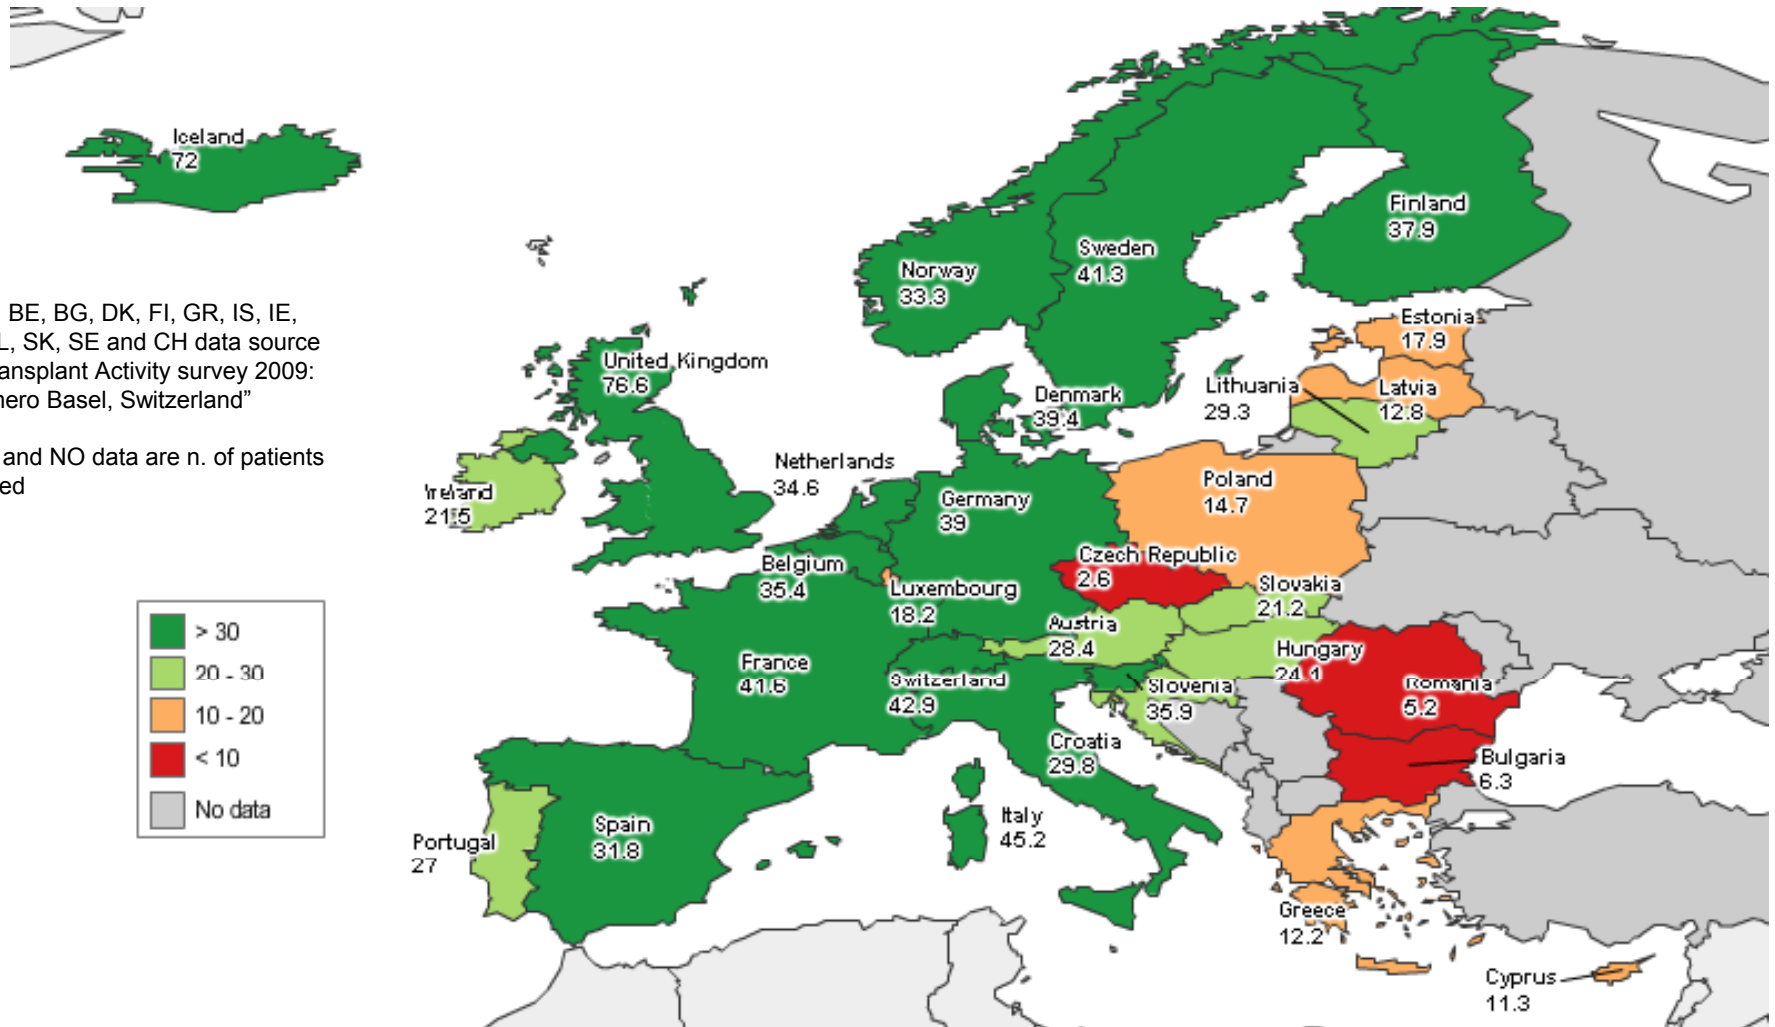

2) For ES and NO data are n. of patients transplanted

Autologous HPC transplants , year 2009

Transplants pmp (per million population)

Note

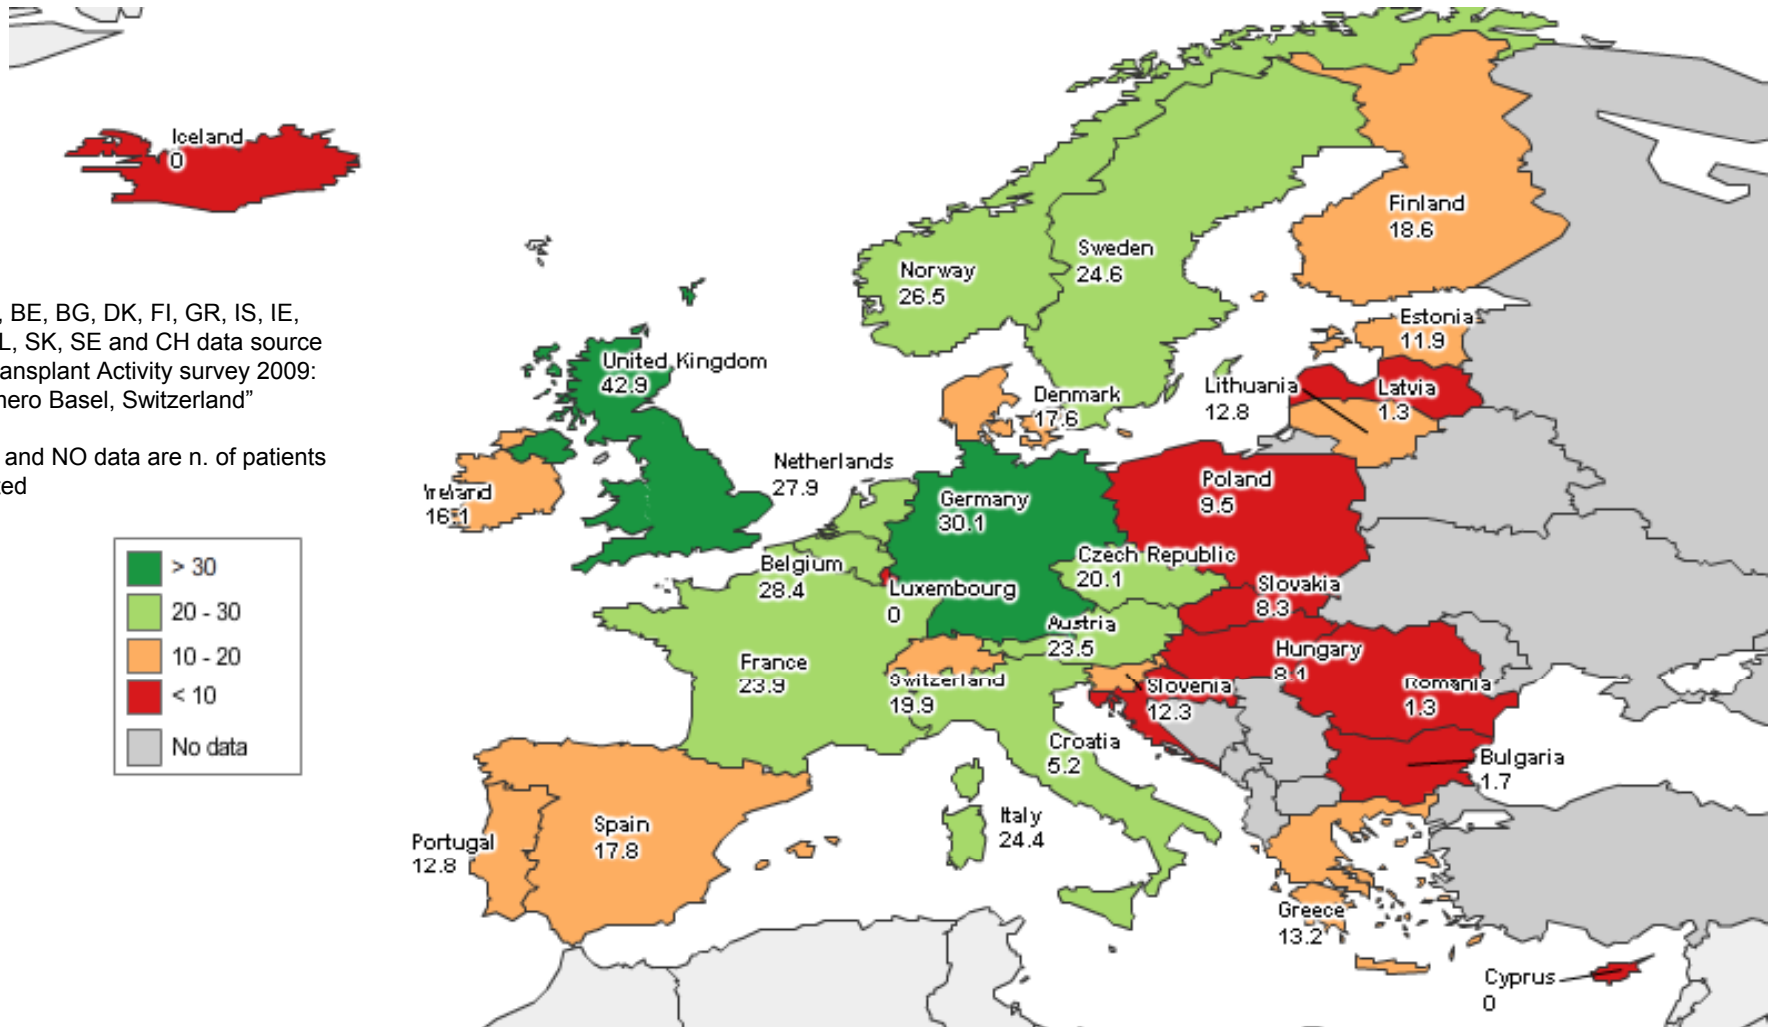

1) For AT, BE, BG, DK, FI, GR, IS, IE, LT, LU, NL, SK, SE and CH data source "EBMT Transplant Activity survey 2009: H. Baldomero Basel, Switzerland"

2) For ES and NO data are n. of patients transplanted

Allogenic HPC transplants , year 2009

Transplants pmp (per million population)

Note

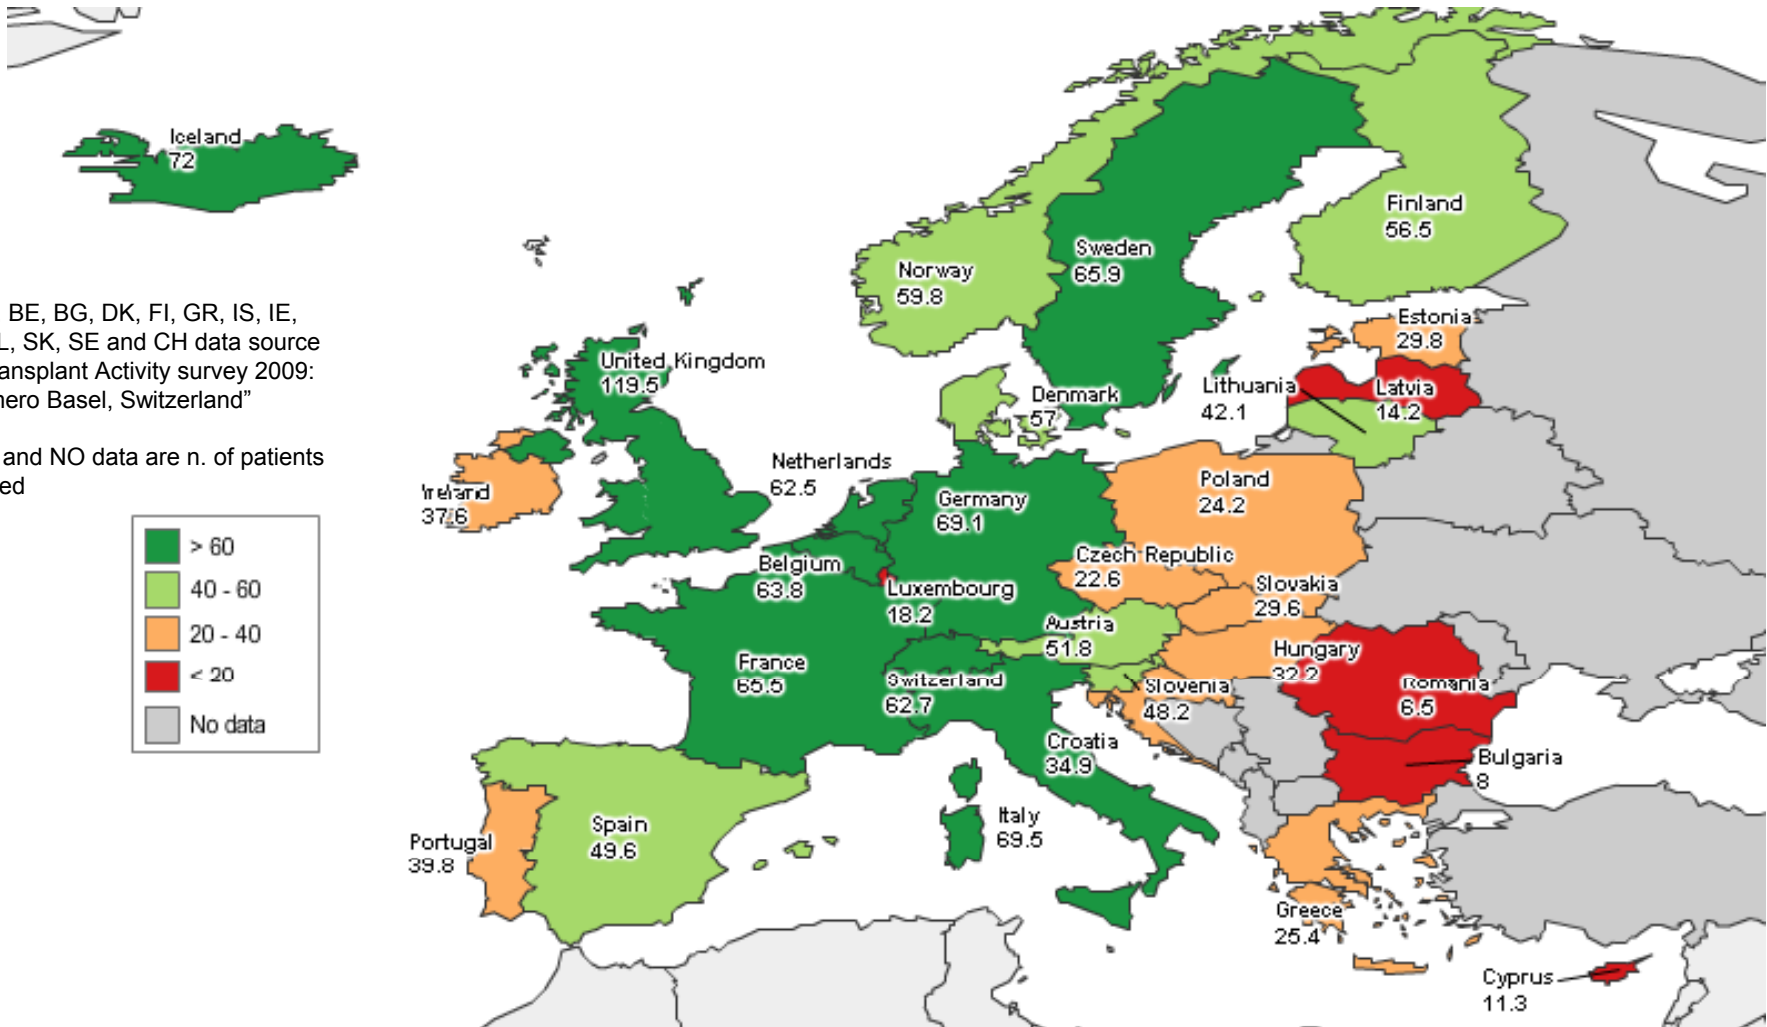

1) For AT, BE, BG, DK, FI, GR, IS, IE, LT, LU, NL, SK, SE and CH data source "EBMT Transplant Activity survey 2009: H. Baldomero Basel, Switzerland"

2) For ES and NO data are n. of patients transplanted

Total HPC transplants , year 2009

Transplants pmp (autologous & allogenic)

Note

1) For AT, BE, BG, DK, FI, GR, IS, IE, LT, LU, NL, SK, SE and CH data source "EBMT Transplant Activity survey 2009: H. Baldomero Basel, Switzerland"

2) For ES and NO data are n. of patients transplanted

**Figures on cord blood
donation and transplantation
activities
Year 2009**

www.eurocet.org

Last data update 02.12.2010

Cord blood unrelated, year 2009

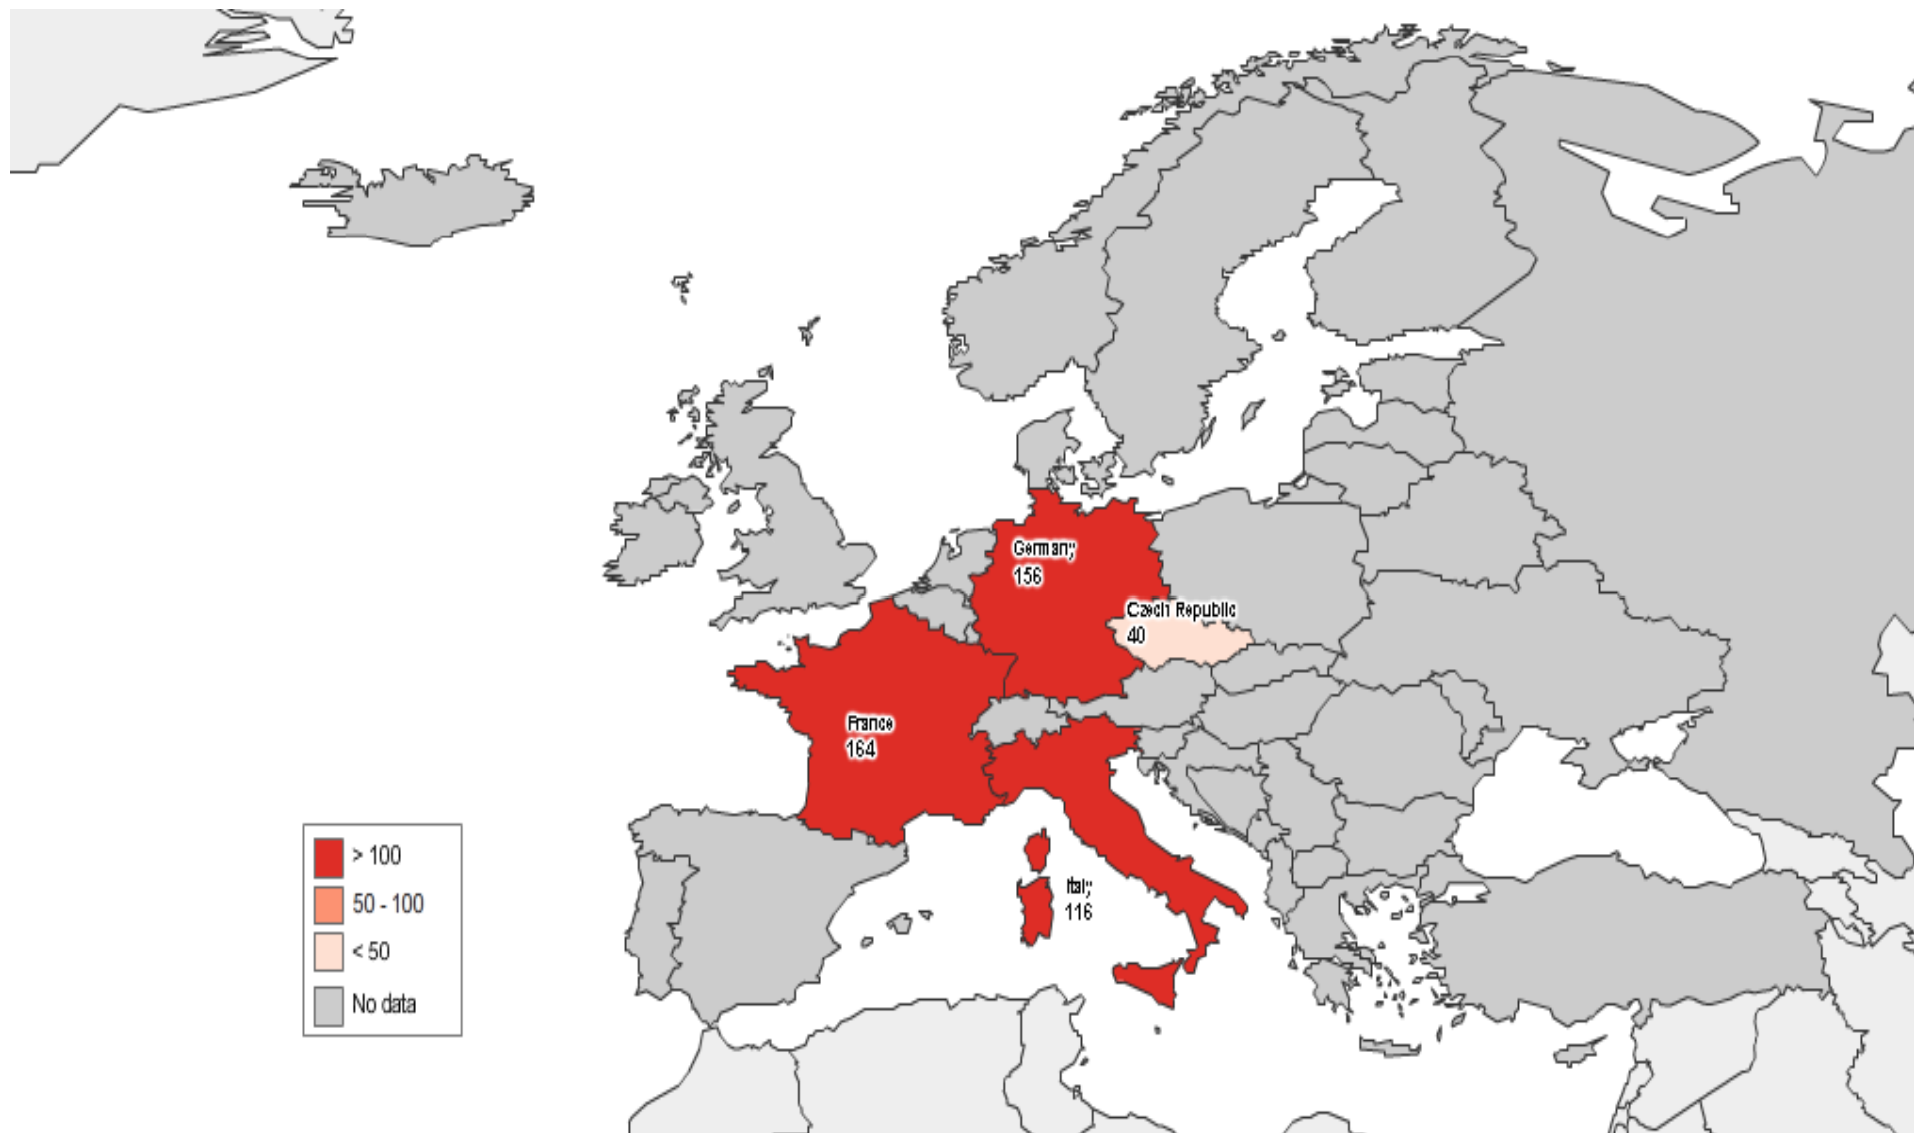

Number of units collected

Cord blood unrelated, year 2009

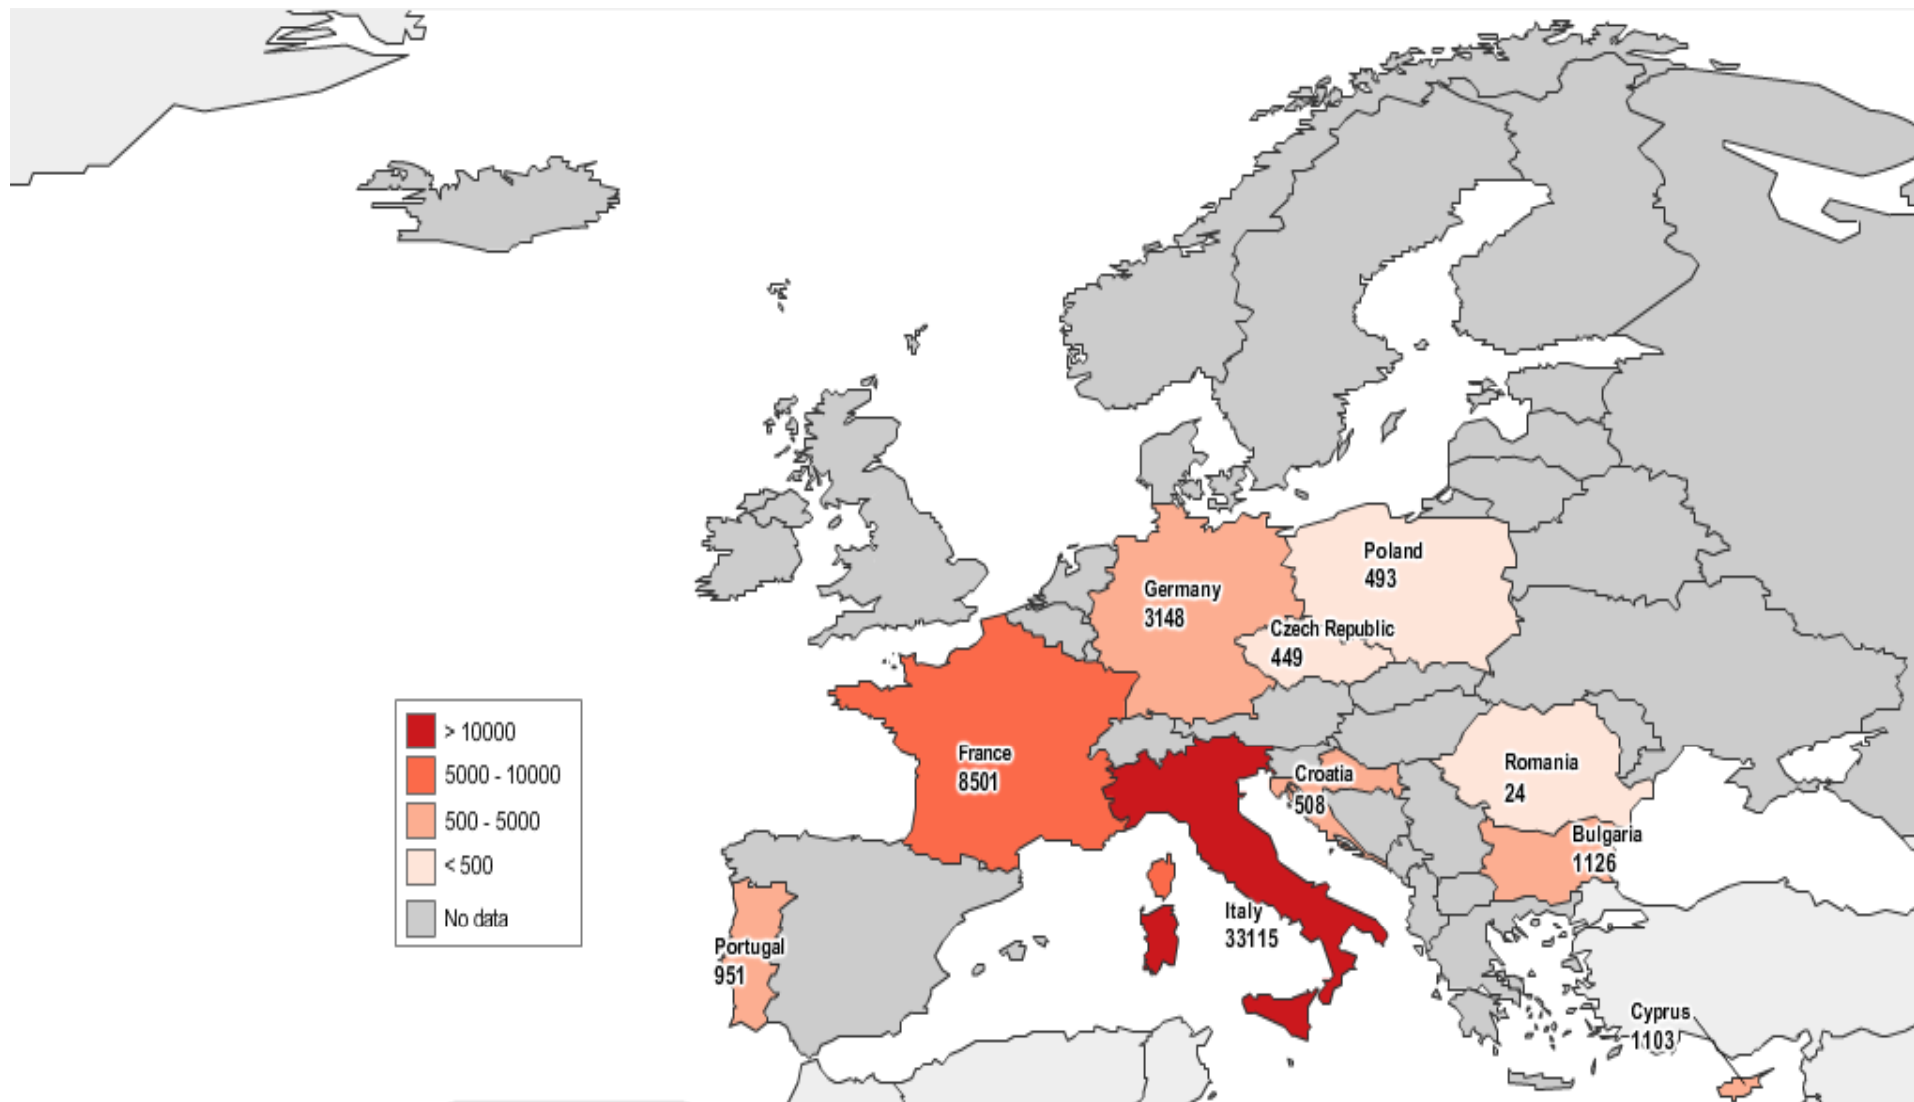

Number of units distributed

Cord blood unrelated, year 2009

Number of units available at 31.12

European network of competent authorities for tissues and cells

Data included in this publication have been kindly provided by the European Competent Authorities for Tissue and Cells. A special thanks goes to the responsible persons and their co-workers from: Bulgaria (Jordan Peev – Teodora Djaleva), Croatia (Mirela Busic - Mirjana Biškup), Czech Republic (Pavel Březovský – Eva Kremenova), Denmark (Mike Cox), Estonia (Pille Harrison), France (Arnaud De Guerra), Germany (Johanna Strobel), Hungary (Kovacs Zsolt – Levente Torok – Tokar Lilla), Italy (Fiorenza Bariani – Letizia Lombardini – Registro della Procreazione Medicalmente Assistita), Latvia (Anita Daugavvanaga – Kristine Briede), Lithuania (Dainora Medeisiene), Luxemburg (Gerard Scharll), Malta (Richard Zammit – Miriam Vella), Netherlands (Frank van Linden), Norway (Vibeke Dalen), Poland (Artur Kaminski), Portugal (Margarida Amil Diaz – Catarina Bolotinha – Ana Rita Laranjeira), Romania (Rosana Turcu – Andrei Nica), Slovakia (Jan Koller), Slovenia (Gorazd Čebulc – Lea Lampret), Spain (Marina Alvarez – Rosario Marazuela), Sweden (Helena Strom), Turkey (Halil Yilmaz Sur), United Kingdom (Sam Jones-Parry – Veronica Lindop – Carmel Dodson-Brown – Chris O’Toole – Emer O’Toole).

THANKS благодарности díky hvála tak
aitäh kiitos *merci* ευχαριστώ **GRAZIE**
pateicība ačiū **grazzi takk** bedankt
dziękuję obrigado mulțumesc **vd’aka** hvála
gracias tack Danke teşekkürler **köszönöm**

A special thanks goes to EBMT (Helen Baldomero) for the collaboration and sharing of the annual data of HPC transplants
